Disclaimer:

These books are not intended to replace therapy with a speech-language pathologist. None of these books were created by Consonantly Speaking. Consonantly Speaking does not have any bearing on the quality of each book and has not read all of the books on the list. Consonantly Speaking did not receive any compensation for creating this list. Consonantly Speaking does not specifically endorse or recommend any of the following books over others. This list is intended as a compilation of books that can be read in therapy by a speech-language pathologist for articulation practice or at home by parents to their children. Books are not listed in any specific order other than by category. The prices of the books are subject to change or sale at any given time.

This list is the intellectual property of Consonantly Speaking and its author. The book icons are the property of their own companies.
